ABOUT ME

I'm a UX Designer by Laboratoria and a student of International Economics at National University of San Marcos.

I'm a leader by nature with high sense of responsibility towards my work, others and the world around me. I like working in a team promoting effective communication.

Also, I adapt easily to changes and always taking on each challenge with enthusiasm and passion.

EDUCATION

09/2017-04/2018 USER EXPERIENCE DESIGN, LABORATORIA

Basic knowledge of programming. Comprehensive learning of the entire UX process. I like to carry out the research process with earnestness in order to obtain a really good product.

03/2012-07/2017 INTERNATIONAL ECONOMICS, NATIONAL UNIVERSITY OF SAN MARCOS

Student of the eighth cycle with specialization in international finance.

VOLUNTEERING EXPERIENCE

01/2018-ONGOING VICEPRESIDENT OF OUTGOING GLOBAL VOLUNTEER

In this role I lead 8 girls with whom we dedicate ourselves to contact university students so that they can carry out an international volunteering and generate an impact in the world.

08/2017-12/2017 MARKETING MANAGER OF GLOBAL TALENT

During this role, I was in charge of creating the marketing strategy to get more graduates to complete an international internship. Achieving that more than 20 graduates take this opportunity in recognized companies, in all sectors and in all parts of the world.

01/2017-07/2017 PROJECT MANAGER OF GLOBAL FAMILIES

I was in charge of leading a team of 4 people to achieve a total of 70 families who wish to host international students who came to our country to be a volunteer.
